Priority Date: 23 June 1999	:	APPLICATION UNDER 37
Attorney's Docket No.: 70372	:	CFR 1.137(b)
For: SELF-CONTAINED HONEYCOMB	:	
STRUCTURE FROM FLEXIBLE FILM STRIPS	:	
AND METHOD FOR ITS PRODUCTION	:	

The petition to revive under 37 CFR 1.137(b) filed 17 January 2002 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3). Applicants have now submitted the small entity basic national fee and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States of America.

The materials accompanying the petition to revive include an executed declaration in compliance with 37 CFR 1.497 and a translation of the international application into English. Based on the authorization contained in the accompanying Transmittal Letter, Deposit Account No. 13-0410 will be charged \$65 as the small entity surcharge for filing the declaration later than thirty months after the priority date and \$130 as the processing fee for submitting the translation after the thirty month deadline.

This application is being returned to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The 35 U.S.C. 371 date is **17 January 2002**.
